This approximately 83-acre site is located along busy state route 93 in one of the fastest growing communities in Pennsylvania.

The site's proximity to Interstate 81, dozens of national retailers, Valmont Industrial Park, a Penn State University branch campus, and the main campus of the Greater Hazleton School District, make it a good fit for medical offices, a retail complex, a personal care home, senior living apartments, an urban type village, or a mixed-use development.

The property has frontage along state route 93 and consists of four parcels with various zoning classifications. On average, more than 25,000 vehicles pass the site per day on route 93. Black Creek runs through a portion of the property and provides an element of attractive natural landscaping.

The combined population of Hazleton, West Hazleton, and Hazle Township has grown by more than 26% since 2020. The Greater Hazleton School District is believed to be the 6th fastest growing district in Pennsylvania.
